

The image features a vibrant red background with several overlapping, wavy, semi-transparent shapes in lighter shades of red and pink. In the center, the word "SENDA" is written in a tall, thin, white, sans-serif font. Below it, the word "CONSULTING" is written in a shorter, wider, white, sans-serif font.

SENDA
CONSULTING

Connecting your business to Europe

Achieve your goals, go further than your competitors, enhance the experience with your clients.
We help you with all of this and much more.

We are focused on guide your company to the internationalization
Based on our experience we understand all about the process for internationalizing a company. We divide our services into 3 clear blocks to suit you the best with your actual needs.

Create a strategy to
conquer the new market

Always close to you

By mail, Skype, telephone or in person. Always available.

Exceptional quality

Sensitive to the needs of your clients and the fluctuations of the market. We keep the deadline seriously.

Our areas

Belgium-Luxembourg

Balkan
and
Hungary

Spain

Our services

Digital Marketing

Nowadays is getting much more important the contact with the clients through the internet, we can not forget it. Create a good campaign in Google, or in the social media can make us much more sales.

As well, we can create an e-shop on the local language, so you can start to export your products and services with a small investment and from home.

- landing page in the local language
- creation of catalogs, and graphic design
- e-commerce
- campaigns in Google and social media

Implementation in the new market

You decided the best option is to implement your business or any department in another country. We will help you to find the partners and providers to make it true.

- base a company in the new market
- create a new society
- accounting
- legal translation
- find you a place
- find the right workers
- prepare your company for the new step of the exportation

Sales

We analyze your actual situation, and what you will need. Then create a plan for the next 3, 6 and 12 months. As well we will create a list of potential clients and then we will contact them in all the ways possible to obtain your goals.

- area management
- market research
- B2B meetings
- visits to potential clients
- virtual office
- follow up
